License your dog and make your pet legal!

Why pay a \$251 fine on a 7.20.010 Dog License Violation, when you could pay a \$12 annual license fee? Licensing helps to control and prevent the spread of Rabies, helps to easily identify and return lost dogs to their families, and it's the LAW!

Docupet is the official licensing partner of Stanislaus Animal Services Agency. Visit stanislaus.docupet.com to license your furry fugitive and browse hundreds of designer tags!
