Live Release Rate: 85%

Stanislaus Animal Services Agency has been working hard to increase adoptions and animals sent to rescues, which has led to a significant increase in the live release rate year after year. We participate in innovative programs including a community cat program in partnership with Best Friends, partnership with Petco Love Foundation for the foster program and Love Lost program. Even though foster homes for dogs have dramatically increased, fosters for pre-wean kittens are still our greatest need.
